

Free Heart Screenings for Your Peace of Mind.

Baptist Health wants your child to stay healthy. We are proud to offer free EKG screenings to Our Lady of Lourdes Academy athletes. This painless, noninvasive test measures the electrical currents in the heart. It can identify students at risk for rare but serious heart problems, which strike without warning.

Call **786-573-6000** to schedule a free screening weekdays, between 9 a.m and 4 p.m., at the below locations. Students under 18 must be accompanied by a parent or legal guardian.

Baptist Health Medical Plaza (Brickell)

2660 Brickell Ave., Miami

Baptist Health Medical Plaza (Coral Gables)

10 Giralda Ave., Coral Gables
